Officer Introduction

Tom McClelland, President
Caleb Reichhardt, Vice President
Debbie Sokoloski, Secretary/Treasurer

It is my pleasure to introduce the 2016 Executive Members of the Montana Shorthorn Association. The new members were elected on October 10, 2015 at the MSA annual meeting in Billings at the NILE Stock Show. Tom McClelland, President, was born and raised in Mount Vernon, Washington. He knew by the time he was eight years old that he wanted to farm and raise cattle. It was not until he was close to having twenty years in the Air Force that his wife bought their first heifer. He did not know she was going to do that. She presented it to him as a surprise and they have been raising Shorthorn Cattle ever since. Caleb Reichhardt, Vice President, was born and raised in Butte, Montana. During his sophomore year of high school he became involved with Shorthorns. He was involved in 4-H, and his senior year of high school he served as the Montana State 4-H Ambassador President. Currently Caleb is a sophomore at Montana State University studying Biotechnology in Animal Systems. Debbie Sokoloski, Secretary/Treasurer, was born and raised in the Circle/Wolf Point area of NE Montana, where they raised Black Angus. Years later she and her husband Pete bought their boys a couple of bum calves and one thing led to another, now they are raising a small herd of Shorthorn and ShorthornPlus Cattle. Debbie also works full-time as a Mortgage Loan Originator at Western Security Bank in Billings, Mt. Each of the members looks forward to representing and serving you over the course of the next year.
